Foreword EHF President

Dear handball friends,

Four more rounds of thrilling group phase action!

The Machineseecker EHF Champions League 2024/25 is ready for four more rounds of thrilling group phase action as the competition returns from its winter break and the 2025 IHF World Championship. Many players from the topflight clubs have been representing their national teams over the past few weeks. Players from world champions Denmark, runners-up Croatia, bronze medallists France, semi-finalists Portugal and other nations that impressed handball fans worldwide are now eager to continue the club season in Europe's premium competition when play resumes on 12/13 February.

After 10 of the 14 rounds in the Machineseecker EHF Champions League group phase, both groups have a runaway leader who opened a four-point gap. In group A, One Veszprém HC won nine of their 10 matches and have a significant head start when the race to the quarter-final and play-off spots heats up in the last four rounds. With Paris Saint-Germain Handball, Sporting CP, and Füchse Berlin, three teams find themselves close together on the next three positions, followed by Dinamo Bucuresti. Lower down the table, HC Eurofarm Pelister, Orlen Wisla Plock and European debutants Fredericia Håndbold Klub will likely battle it out for the last play-off berth in this group.

Over in group B, record and defending champions Barça have proved that their hunger for success has not been stilled by any means. Boasting a four-point lead going into the last four rounds, they are followed by three teams which are separated by just a single point, setting up a breathtaking finish to the group phase: HBC Nantes, Aalborg Håndbold, and OTP Bank - PICK Szeged. The second part of the table promises just as much excitement, as Industria Kielce, SC Magdeburg, Kolstad Håndbold and HC Zagreb are heading into a close battle for play-off spots, with only two teams making the cut.

The stage is set for an enthralling finish to the group phase, and fans cannot wait to closely follow their favourite teams and players as the race to the Machineseecker EHF Champions League knockout phase is truly on.

Michael Wiederer
EHF President

Foreword EHF President

Estimats amics de l'handbol,

Queden quatre rondes més d'emocionant acció de la fase de grups!

La Machineseeker EHF Champions League 2024/25 està preparada per a quatre rondes més d'emocionant acció de la fase de grups, ja que la competició torna de les vacances d'hivern i del Campionat Mundial de l'IHF 2025. Molts jugadors dels clubs de primer nivell han estat representant els seus equips nacionals durant les últimes setmanes. Jugadors dels campions del món Dinamarca, els subcampions Croàcia, els medallistes de bronze França, els semifinalistes Portugal i altres nacions que han impressionat l'afició de l'handbol de tot el món estan ara ansiosos per continuar la temporada de clubs en la competició premium d'Europa quan es reprenguin els partits el 12/13 de febrer.

Després de 10 de les 14 rondes de la fase de grups de la Machineseeker EHF Champions League, ambdós grups tenen un líder destacat que ha obert una bretxa de quatre punts. Al grup A, el One Veszprém HC ha guanyat nou dels seus 10 partits i té un avantatge significatiu quan la cursa per les places de quarts de final i play-off s'escalfa en les últimes quatre rondes. Amb el París Saint-Germain Handball, l'Sporting CP i el Fühse Berlín, tres equips es troben molt a prop en les següents tres posicions, seguits pel Dinamo Bucarest. Més avall a la taula, l'HC Eurofarm Pelister, l'Orlen Wisla Plock i els debutants europeus Fredericia Håndbold Klub probablement lluitaran per l'última plaça de play-off en aquest grup.

Al grup B, els campions rècord i defensors Barça han demostrat que la seva fama d'èxit no ha estat calmada de cap manera. Amb un avantatge de quatre punts en les últimes quatre rondes, els segueixen tres equips que estan separats per només un punt, preparant un final de fase de grups emocionant: l'HBC Nantes, l'Aalborg Håndbold i l'OTP Bank - PICK Szeged. La segona part de la taula promet tanta emoció com la primera, ja que l'Industria Kielce, l'SC Magdeburg, el Kolstad Håndbold i l'HC Zagreb s'endinsen en una lluita tancada per les places de play-off, amb només dos equips que aconseguiran el tall.

L'escenari està preparat per a un final apassionant de la fase de grups, i els aficionats no poden esperar per seguir de prop els seus equips i jugadors favorits mentre la cursa cap a la fase eliminatòria de la Machineseeker EHF Champions League està realment en marxa.
